and NSCID No. 2, Paragraph 4

REFERENCE : NSC Action No. 1873, Paragraph c.(1) and (2)

As directed in your memorandum of March 17, 1958, I have re-examined the proposed language for paragraph 17 of NSCID No. 1 and for paragraph 4 of NSCID No. 2, and have discussed their rewording with the Members of the Intelligence Advisory Committee. Each department and agency shall be responsible for the protection of intelligence sources and methods within its own organization. The Director of Central Intelligence shall call upon the departments and agencies, as appropriate, to investigate within their department or agency any unauthorized disclosure of intelligence sources or methods.

NSCID No. 2, Paragraph 4:

The Central Intelligence Agency may collect abroad intelligence information in support of assigned functions or as a by-product of the assigned functions: Provided,
